USEFUL INFORMATION

How to operate the door lock of your room.

The guestroom's doors can be opened with magnetic cards or keys.

The cards are valid until 10AM on the departure day. You can operate the light in your room with your room card as well.

Air-conditioning (Jadranka, Lovcen, Primorka, Novljanka, Mimoza buildings).

The heating-cooling system in every room is adjustable with its own thermostat. In case of open door or window the system will not function.

Villas are equipped with own air conditioned & thermostat

The wardrobe built-in safe can be operated by following the instructions kept next to the safe. **The Hotel Management will not accept any responsibility for valuables left around in the room.**

In the room you can find a phone which is connected with the reception (7400 or 9)

Electricity: 220 V

If you experience any technical problems, please inform the reception
